Training Courses For Organizational Safety & Compliance

HAZWOPER TRAINING

OSHA standards require annual and refresher training for those working around hazardous materials.

Our course includes Incipient Fire Training as part of the regular course, and separate certificates for this training are included.

INDUSTRIAL MEDIC TRAINING

Provides your employees with information on how to respond to a medical emergency in the work place. This course includes a CPR refresher course and covers how to treat a wide variety of injuries.

INCIDENT COMMAND SYSTEM (ICS) - 2 Part Recommendation

Part 1: A free, web-based interactive training course through the FEMA.gov site for initial incident command training that is consistent with all public safety personnel and first responders.

Part 2: Incident Command Training Utilizes basics of ICS/NIMS system that tie together a training session and the general ICS course information with operation methods & documentation.

CONFINED SPACE ENTRY & HAZARDS

This course is initial training on safe confined space entry. It contains the essential building blocks for general confined space entry as a stand-alone session, also customizable to add company specific procedures.

CONFINED SPACE RESCUE FAMILIARIZATION & REFRESHER

Built on the fundamentals of confined space rescue, this course follows OSHA's 1910.146 standard with references to the NFPA's guidelines. An essential course for improving employee confidence and skills for conducting safe confined space entry.

FIRST AID / CPR & AED TRAINING

National Safety Council curriculum provides employees with basic necessary medical aid. This class is dynamic, including both classroom instruction and hands-on practical application.

INCIPIENT FIRE EDUCATION & FIRE EXTINGUISHER TRAINING

A presentation of basic fire education and fire extinguisher use as well as a live-fire burn drill with extinguishers for a hands-on experience.

CONFIGURABLE TRAINING COURSES

Customizable training courses can be completely altered to fit any specific need of the company and their employees.

Safety. Security. Peace of Mind.
