

RENTAL EQUIPMENT

The Safety Equipment Where, and When You Need it the Most

PK Safety has a variety of safety rental equipment to serve the needs of the Industrial, Oil and Gas (offshore and onshore), and Agriculture industries with the necessary equipment to keep their facilities safe and efficient.

With steady growth at PK Safety, we continuously add new equipment to our inventory. No matter what size your company or project is, our knowledgeable and friendly staff is ready to serve your company and answer any questions you may have. Our employees have real-world safety experience and are always happy to provide advice on what your safety rental equipment needs may be.
